

# Sign me up with a trainer!

If you are looking for a trainer to work with your horse, please consider our list of American Paint Horse Foundation trainers. They have donated a month of training and board so your training fee can be applied directly to the Foundation's youth development program.

Request for these trainers are on a first-come/first-served basis and only one horse will be placed with each trainer, so don't wait.

Fee is \$500 for one month of training, payable directly to the American Paint Horse Foundation. Please complete the form below and send it in with your check or money order. Once your request has been matched with a trainer, we will send you a confirmation letter. If we cannot find an acceptable match for you, your check or money order will be returned.
