Steps to apply for an American Paint Horse Foundation Scholarship:

- 1.) Review application requirements on application form (requirements are all the same for every scholarship offered).
- 2.) If you meet requirements, completely fill out application.
- 3.) Mail completed scholarship application to APHA at the mailing address located on the front cover of application by March 1 of each year.
- 4.) Once application is received, the selection committee will review all applications. Those who are qualified will be ranked by a point system, and then the committee will select a scholarship listed above which best fits each particular student.

Please note that several scholarships have preferences within the selection criteria, however if we do not have an applicant who meets those preferences we will choose a student out of the general pool of qualified candidates, which significantly increases everyone's chance at being selected as an award recipient.

Note: Not every scholarship is newly awarded each year, some are renewed awards.
